## Atmospheric outdoor lighting by Paulmann

A cosy atmosphere on your patio or in the garden extends your home – regardless of the time of year. Whether it be during warm summer nights spent under a starry sky or seen through your living room window on a winter evening, the appropriate outdoor lighting provides a homely atmosphere around the house.

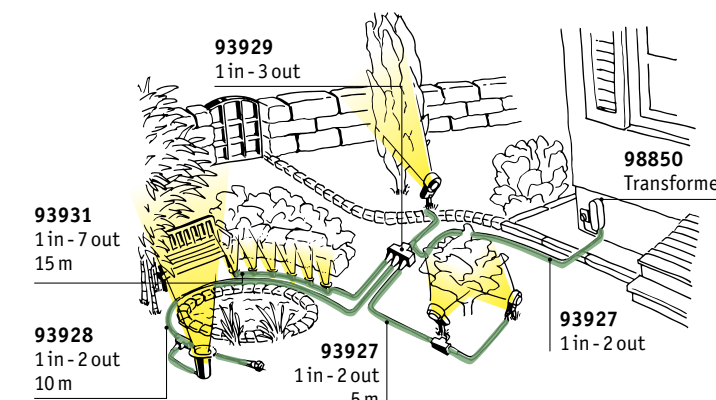

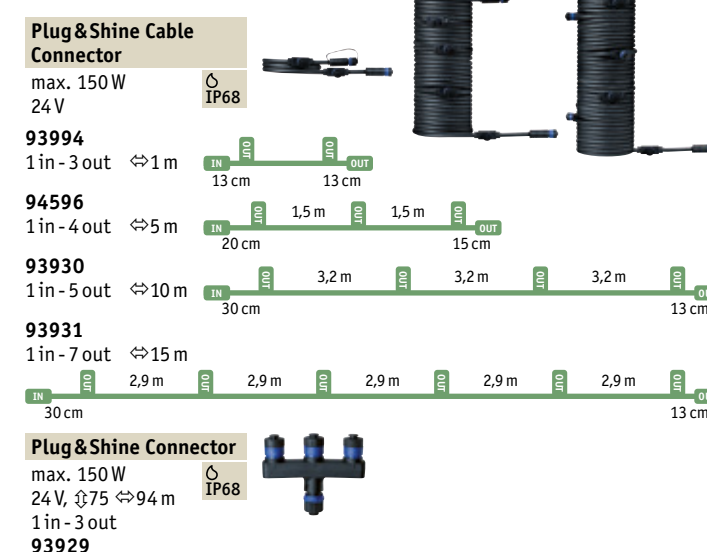

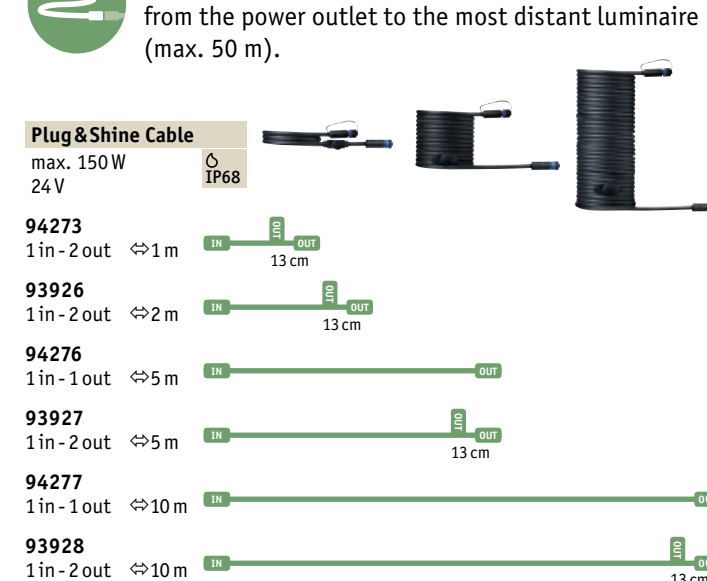

Paulmann's safe Plug & Shine system allows you to easily create highlights around grassy areas, shrubs and trees, as well as decorative walls or fences. Plug & Shine is also suitable for safely illuminating driveways and paths.

## It's so easy!

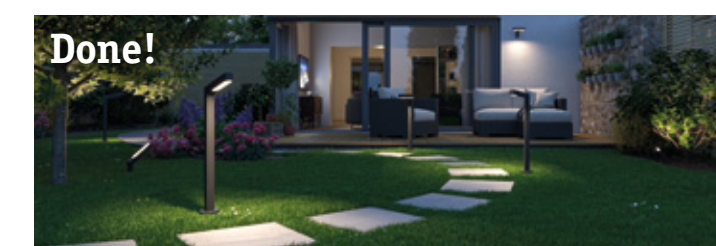

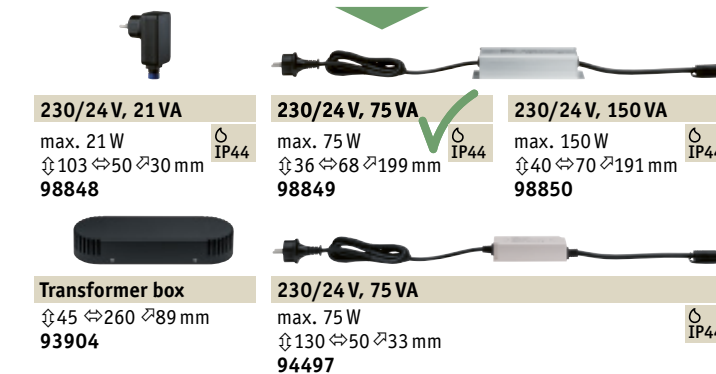

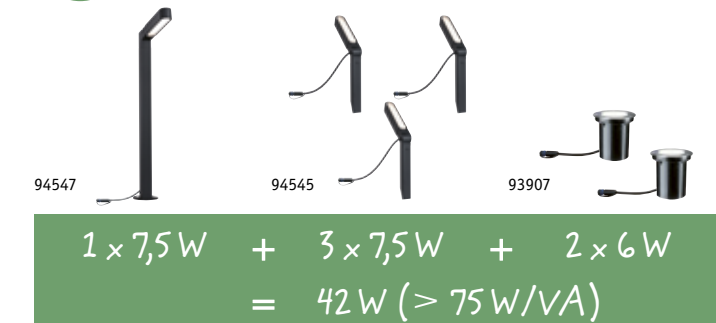

### 1. Complete flexibility in the positioning of luminaires

for perfect lighting effects.

### 2. Compile the cable system from the power outlet to the most distant luminaire (max. 50 m).

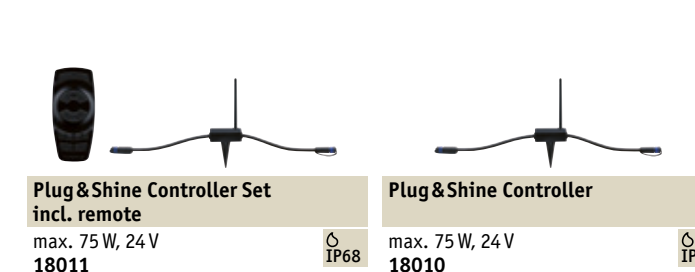

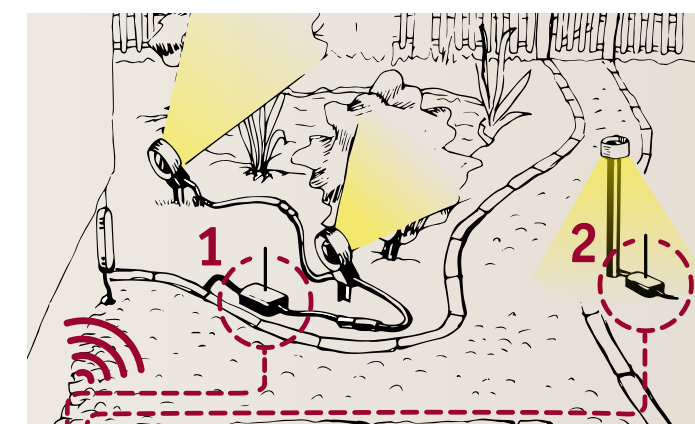

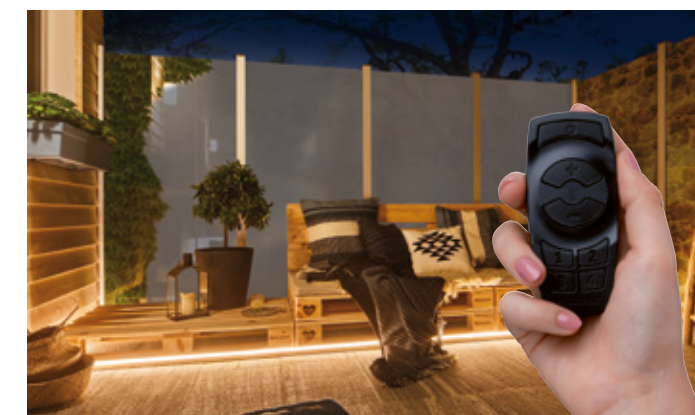

### 3. Select the transformer according to total output

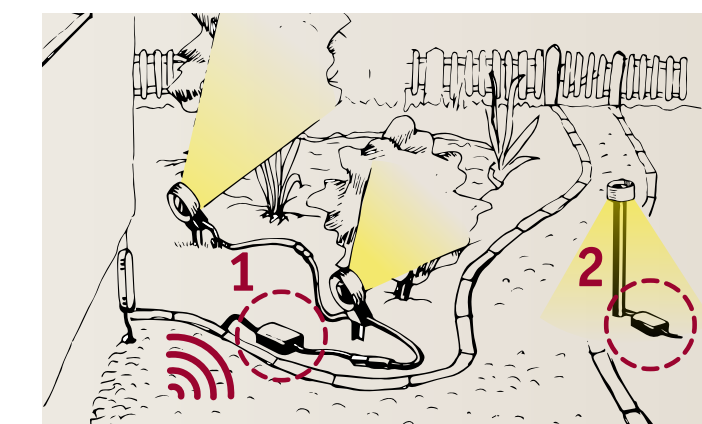

## Simple remote lighting control

Simply integrate the controller in the cable routing to switch or dim all downstream luminaires. Use the remote control to control controllers individually or in groups.

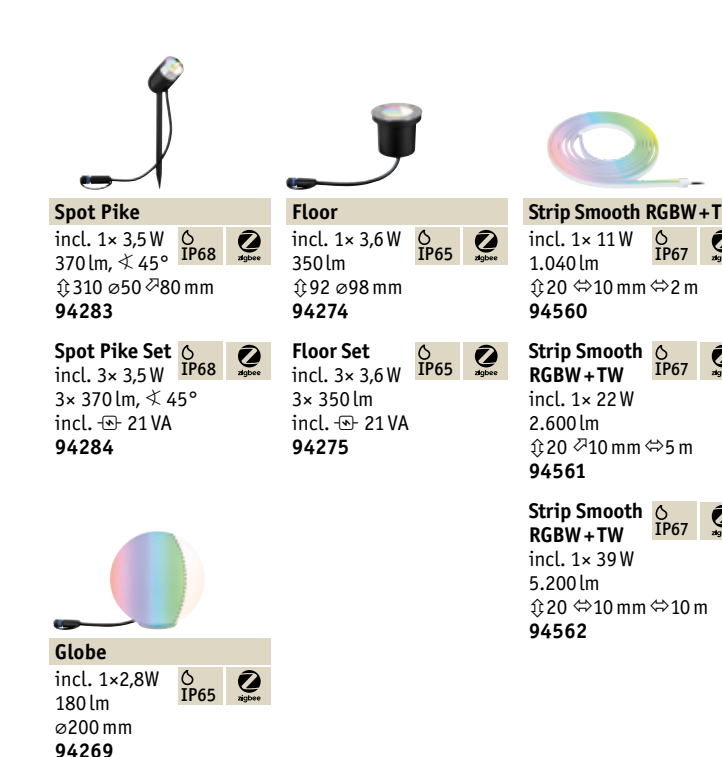

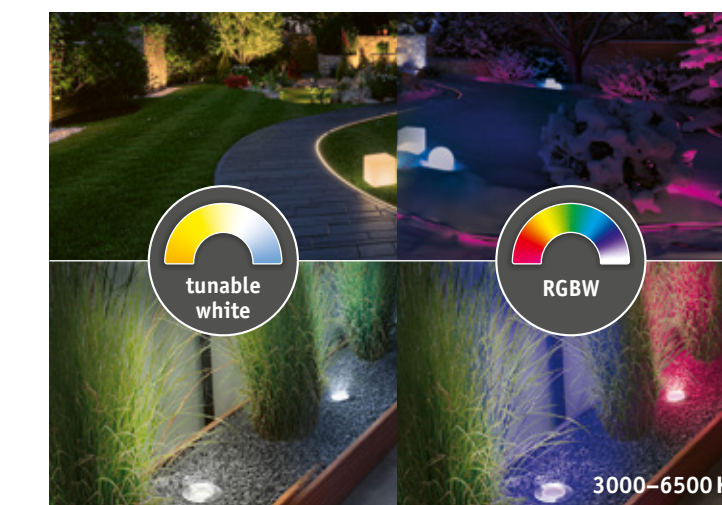

## Easy integration into the Smart Home system

Voice assistant, app + gateway or remote control

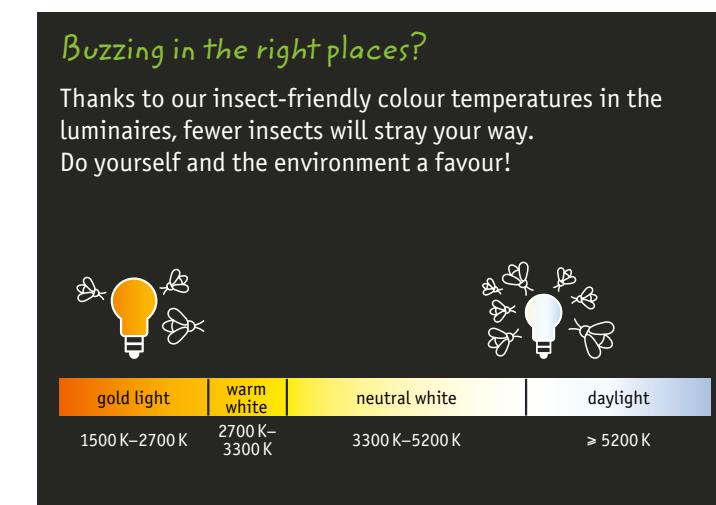

## Smart colour and white tone control

Products include Zigbee chip – Zigbee controller 93999 is not required

## Insect-friendly luminaires

Safety for people and respect for the environment
